MESSAGE FROM MASSACHUSETTS: DEMOCRATS: DON'T FOLD.

The results in Massachusetts showed convincingly that voters will walk away from a Democratic Party that fails to take on corporate interests and does not deliver on the promise of change for hardworking American families. That's why Democrats must not retreat on meaningful health care reform. There are many paths to provide real health care reform to Americans, but backing away from this crisis is not an option. Add your name to the millions of Americans who urge Democrats not to squander their mandate for change.
